Treasurer's Report Reflects Rising Cost in Local Government

The treasury of the Village had a balance of \$8,410.89 at the end of the fiscal year, April 31, but the general fund was nearly in the red, the report of Martha Hunter, treasurer, to the village board Tuesday evening revealed.

The balance comprises mainly moneys to be paid out of assessments on improvements and aid given by the government in bearing the expense of postwar planning.

The general fund contained about \$360 and this would have been wiped out if all of the bills had been submitted and paid, it was said.

Increased revenues are expected this year through higher license fees, but these will be used up by increased costs on present services and added services. The board will still have to curb expenses to keep within its revenues during the coming year, according to President George B. Bartlett.

The board will investigate liability insurance as a means of protection from damage suits that might be occasioned through injuries received from faulty sidewalks. It was reported that there are one or two sidewalks where tree roots have raised the pavement and made walking unsafe at night.

The board took under advisement the request for removal of tree stumps from the Chinn property on Victoria Street.

317 Drivers Cause Eighty-nine Deaths

More than \$76,000 has been posted as security by 317 motorists under the new state drivers' safety financial responsibility law, Secretary of State Edward J. Barrett has announced. The motorists have posted the money to protect their driving rights pending settlement of damages arising out of automobile accidents. Motorists certified to post security are those who were without proper financial responsibility, in the form of insurance, at the time they were involved in accidents.

The 317 drivers are among a total of 8,170 who have been certified to post security since the law went into effect January 1, 1946. Secretary Barrett stated that more motorists were certified during the month of May than during any other month since the law went on state books. He said that the number of deaths as a result of accidents in which uninsured drivers were involved is 89.

Secretary Barrett reported that revocations of certifications by the department of public works, which is under jurisdiction of the governor's office, numbered 1,334 for the month of May—raising the total since enactment of the law to 2,980. Revocations are issued in the cases of motorists later found to have insurance.

Many From Here Attend 10th Dist. Annual Meeting

Ann Heath, Maude Johnson, Rose Kennedy, Carolyn Hagan, Lillian Hand, Myrtle Kloss, Helen Osmond and Eva Burnett were among Past Presidents of the Legion Auxiliary, who attended the annual dinner and meeting of the 10th District American Legion at North Chicago Wednesday evening.

The meeting was presided over by Mrs. Arthur Schalek, district chairman, and was very well attended.

Auxiliary to Meet Friday

A meeting of the local auxiliary post will be held Friday evening, June 14. The nominating committee, headed by Mrs. Les Heath will make its report at this meeting and an election of officers will be held. A feature of the meeting will be a short memorial service in honor of deceased members.

Lundgren Receives Merit Certificate

Having done satisfactory Holstein calf club work during 1945, Logan Lundgren, Ravenglen Farm, Antioch, has been awarded a Certificate of Merit and granted a Junior Membership in The Holstein-Friesian Association of America, Brattleboro, Vermont. He was recommended for these awards by the State 4-H Club Leader.

All privileges of the Association except voting have been given to him until he is 21 years of age.

He is the 7511th member of the Holstein-Friesian Calf Club Association of American to achieve this national recognition.

Ken Ashe is Big Money Winner in Recreation Tourney

Ken Ashe toppled the maples for a total of 1331 in the Antioch Recreation men's singles tournament which was finally wound up on the 19th, due to postponement on account of the power shortage and dimout. Ashe's share in the prize money amounted to \$130.00.

Other money winners included George Axtell, Salem; Richard Neeve, Zion; Ed Carney; William Kick, Libertyville; C. W. Ritts, Grayslake; S. Copen, North Chicago; Ed. Kracmer; George Keulman; John R. Russo; Emil Hallwas; Harold Marcussen; Waukegan; Henry Greve, Salem; Vern Heath.

Prize money was only 65% of the estimated list, and the shortage was thought to have been caused by the delay and postponement of the second weekend session.

Frank Hunt Passes Away Sunday at His Home Here

Received with sincere regret throughout the community, where he was held in highest esteem, was word of the sudden death of Frank J. Hunt, Sunday, June 9, at his home at 422 Orchard street. Thirty-five of his fifty-five years were spent in Antioch.

For fifteen years he operated Hunt's Service station at the corner of 173 and 59, retiring from that several years ago for reason of health. During the war he was employed at Nash's in Kenosha.

He was born in Davis, California, September 2, 1890, the son of the late Frank and Catherine Hunt. He was a member of St. Peter's church and of the Holy Name society.

He is survived by his wife, Mame, two sons, Robert and Oliver, both of Antioch, one grandson, Gary, a sister, Mrs. Beatrice Cady, of Davis, Calif. A sister, Ida Hunt Bruckner, preceded him in death December 24, 1945 at Stockton, California.

Funeral services were held this morning at 10 o'clock at St. Peter's church, the Rev. Father Flaherty officiated. Interment was in Mt. Carmel cemetery.

Osborne Urges Observance of Safety Rules

With the fishing season in full swing throughout the Central and Southern zones and to open on June 15 in the Northern zone, Livingston E. Osborne, state director of conservation, admonishes fishermen to be careful in the use of small boats.

"There are numerous tragic accidents annually on fishing trips which might have been averted if some degree of caution was exercised," the director pointed out.

Director Osborne lists the following five cardinal rules for safety when using water craft:

1. Don't overload the boat.
2. Never stand up or change seats in a boat.
3. Stay with the boat. In the event it overturns, cling to it until help arrives.
4. Always row toward shore at the first sign of a storm.
5. Take the advice of the man who rents you the boat. He knows the hazards and conditions.

Local Girls Rate Honors at Kemper Hall, Kenosha, Wis.

Miss Marian Schulz, granddaughter of Mr. Charles J. Heinzelman, of Antioch, a student at Kemper Hall, has been elected president of the dramatics club of the school for the coming year, and was also chosen as fire captain, a position which calls for leadership and responsibility, as it includes the supervision of assemblies and other gatherings as well as fire drills.

Marian, who is interested in music and has an unusually lovely soprano voice, was given the role of the Hollander in the opera, "The Flying Dutchman," which was presented for the entertainment of commencement guests. Miss Sue Weber, daughter of Mr. and Mrs. William Weber, of Lake Villa, was a member of the tuneful crew of the ghost ship whose chants added greatly to the weird atmosphere of the opera. Miss Weber has maintained honor roll standing throughout the sophomore year.

Mr. and Mrs. C. M. Cain and sons are spending a two weeks vacation in Iowa.

Rescue Squad Has Five Calls Since Thursday, June 6

The opening of the summer season in the lakes region has brought about a great increase in the number of calls for the Antioch Rescue squad, and the squad members expect to see a greater increase as the summer season progresses. Five calls have been responded to since Thursday of last week, and the squad had two calls simultaneously on Sunday morning.

The first of the series of calls which kept members of the squad busy during the week came when Donald Ross, 9-year-old resident of Petite Lake, fell from an automobile and suffered a fractured skull. The call came at 7:20 p. m. and the boy was given emergency treatment and taken to the hospital.

Saturday at 5:15 p. m. the squad was called to administer oxygen to a heart attack victim at Crooked Lake. The patient recovered and was taken to a Waukegan hospital.

A heart attack which proved fatal to Frank Hunt was the occasion for a call on Sunday morning at 2:15 a. m. and it was while squad members were administering oxygen to him that a call was received calling part of the squad to administer first aid to seven accident victims on Grass Lake road. The automobile accident occurred at about 2:45 about one half mile west of Nielsen's corners. Emil Kowalko, 51, Chicago, driver of one of the cars, received chest injuries and Henry A. Jazwec, 43, a passenger in his car received a broken jaw, a fractured left leg and several broken teeth. Joe Pavel, 33, Chicago, a passenger in the second car suffered a fractured left shoulder, and Ed M. McCrane, 34, also of Chicago, received a head injury. Three others who were in the car were slightly injured. They were August Grabe, Chicago, Otto Grabe, Chicago, and Charles E. Loomis, of Lake Zurich.

The squad rushed the injured men to hospitals in Waukegan and hurried back in time to replace the diminishing supply of oxygen being administered to Hunt.

The final call of the week came Wednesday at 10:40 a. m. when a car containing three women skidded from route 21, near Horton's Boat shop and finally came to rest against the Horton house. None of the women were seriously injured and were treated for scratches and bruises only.

In line with the squad's policy of accident prevention, an appeal was made today by Wm. Banedl, secretary of the squad, to all drivers, urging caution on the highways. Banedl cited the rapidly increasing accident rate on the highway and urged that all motorists drive carefully. Banedl said that while treating accident victims at Horton's Boat shop Wednesday another car skidded an ran into the ditch, due to the slippery conditions of the road in the rain.

Carl L. Hansen Dies in Hospital

Carl L. Hansen, 86, Lake Villa, resident, died at the Lake County General hospital, Waukegan, Sunday, June 9, where he had been a patient for the past week.

He was born in Christiana, Norway, February 13, 1860, coming to this country many years ago. He made his home in Canada prior to coming to Chicago and Lake Villa twenty years ago. He was a retired builder and carpenter.

He is survived by a daughter, Mrs. Martha Daube, of Lake Villa, with whom he had made his home for some time; a son, Aleck, of Chicago; a sister, Mrs. Sophia Johnson, of Evanston; three grandchildren and one great grandchild.

Funeral services were held from Strang Chapel, Wednesday at 2 p. m. with the Rev. Ray Pierson, of Lake Villa officiating. Burial was in Angola cemetery, Lake Villa.

Veterans Should Establish Records With Service Offices

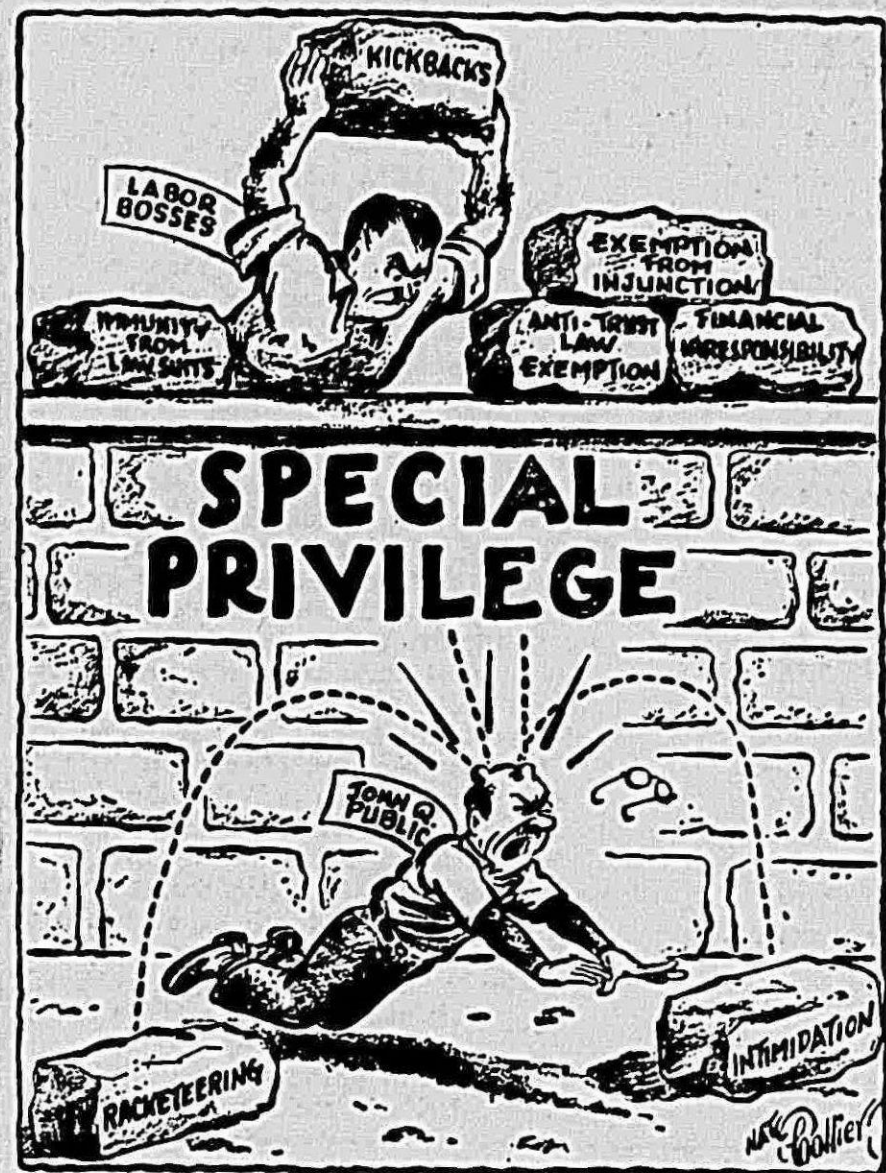

There is much pending legislation, both state and federal, which proposes benefits to veterans or their next of kin. Most applications require proof of service.

Illinois Service Officer Arthur F. Reutlinger suggests that to expedite later filing of applications that veterans and the dependents of deceased servicemen should record proof of service and their correct addresses at his office at American Legion Home, Waukegan, Ill.

Veterans calling at the service office should bring with them all letters and papers relating to their claims, in addition to a certified copy of their discharge certificate.

Milk Prices Are Raised for May

Class Prices for milk delivered during May, 1946 for the Chicago milk marketing area were announced today by A. W. Colebank, administrator of Federal Order 41. These prices are \$3.479 per hundred-weight (7.5c per quart) for Class I milk, \$2.979 for Class II milk, \$2.779 for Class III milk and \$2.527 for Class IV milk. Prices for milk in Classes I, II and III are 1.9c higher than prices for April, 1946 deliveries. The Class IV price is the same as last month.

Class I milk refers to milk used for fluid consumption; Class II is milk used for cream, ice cream, cottage cheese, buttermilk and flavored milk drinks; Class III is milk used in the manufacture of evaporated and condensed milk products; and Class IV is milk used in the making of butter and cheese.

Class I and Class II prices in the Chicago milk marketing area are based upon a premium above the actual competitive price paid by condenseries and evaporating plants. This competitive price for May, 1946, averaged \$2.79 per hundred-weight, which is the Class III price in the Chicago market. During May the premium paid above the condensery-price amounted to 70c per hundred-weight for Class I milk and 20c per hundred-weight for Class II milk.

The Class IV price in the Chicago federal milk marketing area is based upon the average price per pound of 92-score butter during the delivery period in the Chicago wholesale market and the price per pound of non-fat dry milk solids for human consumption. F. O. B. plants in five states in the North Central Area. In May, 1946 92-score butter at wholesale in Chicago averaged 46c per pound; spray and roller process dried skim milk for human consumption, F. O. B. plants averaged 14.26c per pound.

The May prices for milk in Classes I, II and III are 19.8c higher than a year earlier. The Class IV price is 3.5c higher than April of 1945.

Many Veterans Employed In Government Jobs

Reports compiled from various government agencies throughout Illinois, Wisconsin and Michigan show that 3,269 veterans were appointed to federal jobs during the month of April. The figures were announced today by Joseph A. Connor, Regional Director of the U. S. Civil Service Commission.

Illinois led in the total for the region with 2,284. Among those employed in the region were 102 who were medically discharged as ten percent or more disabled.

During the past three months, since peacetime regulations went into effect, a total of 11,291 veterans were placed in government positions. These figures do not include those who were formerly in government employ and have returned from military service, Connor said.

Mr. and Mrs. H. R. Gaston, of Ottawa, Illinois, were the guests of Mrs. H. B. Gaston and other relatives over the weekend.

Mrs. George Vosseller, of Los Angeles, California, is a weekend guest at the C. K. Anderson home at Lake Catherine.

Carl F. Timmerman Dies at Hines Hospital

Carl F. Timmerman, 55, Bellmore Gardens subdivision, Lake Villa, died at Hines Veterans' hospital Saturday, June 8, following a brief illness.

Mr. Timmerman, a typewriter salesman, became ill during a trip to the southern part of Illinois, and was moved to Hines hospital for treatment.

He was born in Fairfield, Iowa, March 1, 1891, the son of the late Henry and Mary Timmerman. He had made his home in Lake Villa since 1935. A veteran of the World War, he was a member of the Antioch American Legion Post No. 748.

Surviving are his wife, Grace, a son, Richard, of Miami, Fla., and a brother Charles, of Chicago.

Funeral services were held from Strang's Funeral home at 2 p. m. Tuesday, June 11. The Rev. Father Flaherty of St. Peter's church officiated, the American Legion had charge of services at the grave. Interment at Hillside cemetery.

Traffic Fatalities and Accident Costs Is National Problem

With the nation's traffic fatality rate almost back to its postwar peak, and not only the number of accidents but the cost of accidents rising each month, American automobile owners are faced with a problem that only they can cure.

That this is a national problem has been signified by the National Highway Safety Conference called by President Truman and the campaign currently being sponsored by The Advertising Council (the cooperative group of advertising leaders who produced most of the War Bond and other war-time advertising campaigns) in cooperation with the National Safety Council.

That it is a local problem is evident in this and every community by the increasing number of deaths and injuries which are reported almost each week.

Some idea of the trend in the number and severity of automobile accidents can be gathered from statistics just released.

All through 1945, and at a highly accelerated rate after V-J Day and the termination of gasoline rationing, the number and severity of automobile accidents increased, the report points out.

This trend in the number of and severity of automobile accidents has continued to increase in the first quarter of 1946 and with the resumption of vacation travel this summer is not likely to slacken.

Legion Softball Game Rained out Tuesday

The scheduled league game to have been played at the local diamond on Tuesday evening was called on account of the rain and wet condition of the field. Grayslake was to have been the competition for the locals and the teams were here and ready to start play when a call from Norman Fricke, manager of the league, called all games throughout the county on account of rain.

Kingery Outlines Needs for Antioch Future Planning

Lions Club Sponsored Meeting Monday Evening Well Attended

Robert Kingery, general manager of the Chicago regional planning board, was heard by several hundred persons at a meeting sponsored by the Antioch Lions club Monday evening.

Kingery, who is a recognized authority on future planning for cities, was introduced by Harry J. Krueger, president of the club. He gave a general over-all picture of the steps which must be taken in making a master plan for the future growth and development of the village and mentioned a few specific changes which would work for the benefit of the village and the region.

First consideration in planning, he said, was in sanitary measures and assuring adequate supply of pure fresh water and in efficient sewage disposal. Other matters which must be taken into consideration were railroads and other transportation facilities, especially air travel and airport facilities, which he deemed very important.

Kingery also mentioned that the cultural development of the village must keep pace with other growths and stressed the importance of good libraries, schools, and churches. In this connection he said that Antioch was fortunate in that both of our schools already have sufficient land in which to expand existing installations.

Parking systems and traffic patterns also came in for a good bit of consideration in the talk and he said that these must be planned with an eye to present and future highways. He suggested that route 21 and route 59 both be re-routed to keep through traffic out of our business section. He mentioned that this idea would probably not be popular with some of the business men in the village, but that persons who do not wish to shop in town only increase the traffic problem here.

In conclusion Kingery touched on the unusually high assets of the community and said that every indication pointed to an accelerated rate of growth for the village. He also stated that our zoning plan should not be put into effect until study of the factors mentioned in his talk could be studied and a good "common sense" plan be worked out.

Wagner to Confer With Kingery
George Wagner, chairman of the Antioch zoning commission, which has been working on plans for Antioch's zoning ordinance for the past several months, said today that he had made arrangements to confer with Kingery on plans for the zoning ordinance and that all speed in getting the ordinance in proper shape for passage by the village board would be made. It is hoped that the ordinance can be made effective before supplies of building material are plentiful enough to allow a building boom.

U. S. Civil Service Seeks New Employees

Permanent federal positions as property and supply officers to serve in government agencies throughout Illinois, Michigan and Wisconsin, are announced today by Joseph A. Connor, regional director of the U. S. Civil Service Commission.

The job pays from \$2,980 to \$4,300 a year, according to the qualifications of the individuals who apply. A recent law enacted by Congress will increase these salaries by 14 per cent after July 1.

The announcement states that the duties of the position are to perform supervisory work in connection with the procurement and custody of equipment and property; to be responsible for the preparation of requisitions, contracts and purchase orders.

Applications must be filed with the regional director of the U. S. Civil Service Commission, 433 W. Van Buren st., Chicago 7, Ill., not later than June 27. Application forms are available at the regional office, at the branch office, Federal Bldg., Detroit, Mich., or at any first or second class post office.

Production Waits On Whims

For months members of the petroleum industry have been calling attention to the fact that the petroleum supply is adequate to meet all demands. Acting upon the claims of OPA that as soon as a commodity was in sufficient supply, price controls would be removed, they long ago recommended that the oil industry be "decontrolled." Price control over oil has not been removed.

This is a sample of OPA "flexibility" and "responsiveness" to changing conditions. It is a sample of why production is so far behind demand. No industry can operate efficiently when it must await indefinitely the pleasure of public officials on questions that can make or break a business.

The most dangerous thing about the OPA is its obvious reluctance to part with its power. In the case of oil, the need for control ended with the termination of the war. The result of continuance has been increasing confusion. As one oil man pointed out, "under fixed price ceilings the tendency is to manufacture those products which produce the most profit. This has resulted in industry-wide overproduction of certain products and a weakening in their market prices; whereas other products, which normally would have been produced in greater volume to balance demand, continue to sell at unprofitable prices set by the government."

Congress should not be criticized for moving with caution in renewing price control.

On Guard!

A free press, most vital of the nation's safeguards against oppression and exploitation of the people, cannot exist without free enterprise. Without private ownership and free enterprise, there would be no need for the thousands of newspapers and publications which this country now has. Fifteen or twenty official organs would suffice. This is overwhelmingly proven by the evidence of modern history.

Where Will It End?

Demands for health and welfare funds will appear more and more in union controversies with management. Even if the principle of the private tax now involved in the coal strike is outlawed, the problem will remain. Social security, which is supposed to be at least a partial answer to such contingencies, is seldom mentioned because inflation is tending to dwarf the value of the present social security program. Inevitably, sentiment will arise for increased social security benefits. This will mean in all likelihood more public debt and still more inflation. And so the crazy circle goes, with the living standards of the great mass of American citizens falling steadily lower.

On top of it all comes the proposal to spend billions of public money on a nationwide state medical system. With socialized medicine tacked onto social security, the overall program may ultimately cost the working people of America 25% of their income. Such is the estimate of qualified authorities. This is exclusive of taxes to support a peacetime Federal government that spends several times as much as in pre-war years.

Where will it end? We should begin asking ourselves this question. England, whose people are burdened with a near bankrupt government, is in the process of conversion to state medicine. The cost of the scheme in the early years is estimated at more than \$600,000,000. Some of England's financial difficulties may be eased by a loan from America. But what about America? Who is going to bail us out when we get into trouble?

It begins to look as if the proposed obligations of our Federal government will require near confiscatory taxation on the earnings of everyone. Confiscatory taxation means the end of liberty—a high price to pay for even the most desirable social reforms.

Mr. and Mrs. Louis Slamar spent Sunday in Kenosha with Mr. Slamar's parents.

Many from here attended the wedding of Ruth Helen Elfers and Herbert Henry Helms at the Lutheran church at Wilmet Saturday evening. The Rev. Jennings will attend the annual Methodist Conference at Milwaukee this week.

SOCIETY EVENTS

Nuptial Rites Are Announced

Vera Rentner and Joseph Horton United in Marriage

Mrs. Vera Rentner, daughter of Mrs. Effie Nelson, became the bride of Joseph Horton in a double ring ceremony, June 8, at three p. m. at the Nelson home on Victoria street. The Rev. Rudolf Otto, of Wilmot Lutheran church, heard the nuptial vows.

The bride wore a brown suit with matching accessories with a corsage of Orchids. Her only attendant, Mrs. Lowell Smock, daughter of the groom, wore a fuchsia suit with corsage of gardenias. Lester Nelson, brother of the bride was best man.

Mrs. Nelson, mother of the bride wore a navy blue sheer gown, her flowers were yellow roses.

A reception for twenty-one relatives and friends was held following the ceremony in the Nelson home.

Guests from out of town were Mrs. Hugh Huffendick, of Rogers Park and Mrs. Elva Davis, of Mundelein.

The newly weds are spending their honeymoon in Hollywood, California, where they expect to visit Mrs. Horton's aunt and uncle, Mr. and Mrs. John Thompson. Their plans are to visit other places of interest while in the west and on their return will make their home at 999 Victoria street, Antioch.

Mrs. Horton was assistant cashier at the First National Bank of Antioch for the past seventeen years and Mr. Horton is manager of the Sinclair Oil Company in Antioch.

ANNOUNCE ENGAGEMENT OF DAUGHTER

Mr. and Mrs. Stanley Morton announce the engagement of their daughter, Dolores, to Mr. Pat Ryan, son of Mr. and Mrs. William Ryan, of Antioch. The wedding date will be announced later.

WESLEY CIRCLES PLAN DESSERT LUNCHEON

Members of the Methodist Wesley Circles will hold a regular meeting and dessert luncheon at the home of Mrs. Robert Dewes, Wednesday, June 19, at 2 o'clock.

Miss Bell Richards is chairman for the month of June. She invites you to come and bring your friends.

Mr. and Mrs. Richard Kennedy, of Congress Park, Mr. and Mrs. Arthur Trieger and son, Ralph, were dinner guests of Mr. and Mrs. O. E. Hachmeister, Sunday.

Dorothy Jacobson Becomes Bride of Indiana Man Sat.

Miss Dorothy Jacobson, daughter of Mr. and Mrs. George Jacobson, of Indian Point, became the bride of William Shuck, son of Mr. and Mrs. William Shuck, of Evansville, Ind., in rites at St. Ignatius church, Saturday, June 8. The Rev. Arthur McKay heard the nuptial vows.

The bride wore a gown of white satin fashioned with a long train. Her full length veil was loaned to her by her aunt, Mrs. Ella Husa. Her flowers were gladioli and gardenias. She was given in marriage by her father.

Matron of honor was Mrs. Donald Brown, her gown was white net and satin with Juliet cap. She carried salmon hued gladioli. The bride's mother wore an old rose frock with matching accessories and a corsage of gardenias.

A reception for two-hundred guests was held following the ceremony at the Jacobson home.

The couple plan to make their home in Evansville, following a short honeymoon.

Mrs. Shuck is a graduate of Antioch Township high school and Lake College of Commerce.

Sacramental Service

At the eleven o'clock service next Sunday morning the Methodist church of Antioch will observe the Sacrament of the Lord's Supper. This will be the last communion service for this conference year. All members and friends are urged to join in this spiritual feast. Special invitation is extended to all visitors, regardless of church affiliation, who are in the community for the weekend or for the summer.

Warren C. Henslee, Minister

Mrs. W. Terry, leader of the Antioch Acorns entertained at her home for the girls Thursday and Tuesday meetings. At Thursday's meeting Mrs. Terry gave a talk on how the people of England and France use coupons for buying clothing. Betty Terry gave a talk on Good Manners and Betsy Message talked on the Care of the Teeth. At the Tuesday meeting the subjects were Good Posture, and Safety, given by Marianne Olson, and Betty Jean McDougall.

Earl Pape, of Antioch, was a recent visitor in the home of Mr. and Mrs. Harry H. Lattan, of Chicago. The Lattan's for the past twenty-four years have spent their summers in this vicinity. Due to illness of Mr. Lattan, they will not be able to come out to Antioch this season. They have been subscribers to the Antioch News for the past twenty years.

Mr. and Mrs. Clyde McClain, of Akron, Ohio, are the guests of Mrs. McClain's parents, Mr. and Mrs. C. E. Hennings, on leaving Antioch they expect to make their home in California.

Nina Benedict Matthisen, of Bristol, well known Baha'i lecturer will be the guest speaker over WGN on Sunday, June 16, at 1:30 DST. She will appear on the program sponsored by Carson Pirie Scott & Co., called "The Distinguished Guest Program." Her talk will be on the architecture of the world famous Baha'i Temple at Wilmette, Illinois.

Margot McNamer Johnson will speak at the Matthisen home in Bristol on Friday afternoon, June 14th, at 2:30 DST. Her subject will be "The Power of Prayer." The public is cordially invited.

Mr. and Mrs. Joe Shiels, of Philadelphia, Pa., are spending a two week visit with Mrs. Shiels sister, Mrs. George Grunow and family at their home at Channel Lake. Other guests at the Grunow home for the weekend and Sunday were Mr. and Mrs. Ed Cutler, of Oak Park, and Mrs. Gussie Keopple and Mrs. Howard Welpey, of Forest Park.

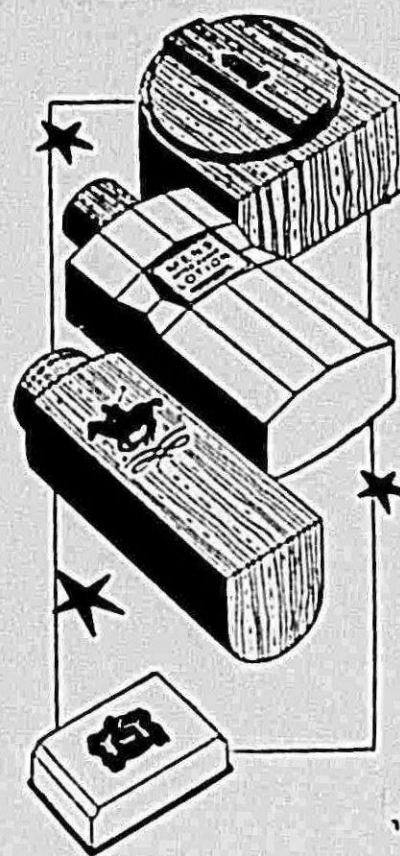

Mrs. George Garland and daughter, Sue and Mrs. Ella Gaulke left Monday for a weeks vacation trip to Niagara Falls and Toronto, Canada.

Mrs. W. E. Wagner and daughter, Jenne and son, Kay, of New York, are guests this week at the home of Mrs. Wagner's father, C. K. Anderson, of Lake Catherine. Mrs. Wagner recently announced the engagement of her daughter, Jenne, to Mr. Francis Bing, of New York. Her son Kay has recently been discharged from the Marines, and is expected to arrive here from California to spend the weekend.

Card Of Thanks

We wish to thank all our friends for their grand response at our Grand Opening party, June 7 and 8.

Library News

(By Marion Rigby, Librarian)

W. Somerset Maugham said that the historical novel should only be attempted by writers who have lived long and seen much of life. Now, with many best sellers behind him, he gives us his first historical novel, "Then and Now," is the story of Nicolo Machiavelli, Florentine statesman and author, during a high point in his career when he was sent to forward the interests of Florence at the court of the Borgias. With ironic skill, Mr. Maugham portrays Machiavelli's devious progress through a maze of political chicanery and murder, and his ill-starred passion for the lady Aurelia.

"Wilderness Adventure," by Elizabeth Page, presents a vivid picture of America as it was seen by our ancestors in 1742. Prompted by the desire for exploration as much as by the abduction by Indians of the lovely Lisel Salling, Captain Howard challenges the wilderness, the Indians, and the French in a perilous quest. "Wilderness Adventure" has all the compelling drive that made "The Tree of Liberty" a best seller.

LAKE VILLA

In the absence of the Pastor, Rev. Pierson, next Sunday, June 16, Mr. Delbert Sherwood will lead in the worship service at the Community church, and on Sunday, June 23, when the Rock River Conference is in session at Aurora, and which the Pastor will attend, Mr. Ray Biggers, a student at Garrett Biblical Institute at Evanston, will be in charge of the services at 11 a. m.

The Lake Villa Community Men's club held the last meeting of the season at the school gymnasium on Tuesday evening, June 11, and following the dinner served by the Woman's Society of Christian Service, Prof. O. C. Durham, of the Abbott Laboratories gave an interesting talk on "Shooting the Stars." A business meeting followed and the club will hold no further meetings until fall.

The Woman's Society of Christian Service will hold its next meeting on Wednesday afternoon, June 19, at 1:30, with Mrs. Florence Caldwell at her home at Sand Lake and visitors are very welcome.

Dr. C. P. Midgley and family left June 3rd, for an extended vacation and will visit Dr. Midgley's brother in Kansas City, then go on to visit his parents in Salt Lake City, and from there to Hollywood, Calif., to visit another brother. They expect to travel home by way of Colorado and will be home about July 1.

Mr. and Mrs. Cable called Monday at the Kasten home at Paris Corners, Wis. Their daughter, Edna Mae, has been very ill with bronchial pneumonia. The Kasten family formerly lived on the E. Wilton farm.

The Rowland Piersons, who lived at the parsonage with their brother, for several months, announce the arrival of a baby daughter at the home of Mrs. Pierson's mother in Pittsburg. They have a son, David, 3 yrs. old. Mr. Pierson is an instructor at Michigan State college at East Lansing, Mich.

Mr. and Mrs. E. J. Lehmann have opened their home here for the summer.

Mr. and Mrs. Wesley Blumenschein and sons of St. Paul, Minn., visited their parents here a few days, returning to St. Paul on Tuesday. After 8 years in the Marines he has received honorable discharge and is now preparing to enter law school at St. Paul.

The Cedar Lake 4-H club held a meeting June 4, at Ann Mattson's home. All members were present. Three girls were selected to attend a Demonstration school at Warren Township High school June 12. Ann Mattson gave a demonstration on how to cut and prepare grapefruit. Jean Hawkins gave a talk on "New Weapons Against Toothache." The regular meeting was held Tuesday at Jean Hawkins home. Refreshments were served by the hostess and then there was a recreation period.

MILLBURN

The Rev. Howell E. Davies, Regional Secretary of the Missions Council, will be guest speaker at the church service, June 16, in the absence of the Rev. Messersmith.

A good audience was present for the Children's Day program Sunday morning. The various classes gave a dramatization of "Who is My Neighbor." Superintendent D. H. Minto presented Bibles to five children, who had passed their seventh birthday, as follows: Judith Regler, Helen Champeny, Joyce Gerber, James Willis Murrie and Betty Jane January.

Wedding Anniversaries

Symbols of wedding anniversaries include 1st, paper; 2nd, cotton; 3rd, leather; 4th, books; 5th, wooden; 6th, iron; 7th, copper; 8th, electrical appliances; 9th, pottery; 10th, tin; 11th, steel; 12th, silk or linen; 13th, lace; 14th, ivory; 15th, crystal; 20th, china; 25th, silver; 30th, pearl; 35th, coral or jade; 40th, ruby; 45th, sapphire; 50th, gold; 55th, emerald; 60th and 75th, both diamond.

Valuing Jade

The value of jade objects has always depended on the excellence of the artist's work more than on the quality of the stone. Stones are judged according to color, sonorosity and flawlessness. Because of jade's extreme hardness, the artist must sometimes spend 10 years or more in carving one article.

Drying Dresses

Placing dresses just washed on hangers keeps them in shape, but be sure the hangers are not rusty, or cover them carefully with plenty of cloths.

Church to Hold
Examinations for
Cadet Appointment

Congressman Ralph E. Church, 10th District, Illinois, announced today from Washington that he has been called upon by the Navy Department to make an appointment to Annapolis. The 10th District will have one vacancy at the Naval Academy for admission in 1947. There will be no vacancies at the U. S. Military Academy for the 10th District until 1949, when two cadets credited to the District are due to graduate.

In order to give the young men interested in this appointment equal opportunity to qualify, Mr. Church announced that he would hold his annual competitive examination of all candidates under the auspices of the Civil Service Commission on Wednesday, July 24, 1946. He has arranged with the Commission for the examination to be held in Cook County at Chicago and Evanston; and in Lake County at Barrington, Highland Park and Waukegan.

All candidates must be actual residents of the 10th District, of sound physical health and good moral character, and must be not less than 17 nor more than 21 years of age on April 1, 1947.

Letters of application to take the competitive examination should be addressed to Congressman Ralph E. Church, House of Representatives, Washington, D. C. The applicant should designate where it would be most convenient for him to take the examination.

Candidates temporarily absent from the 10th District may be examined elsewhere, at examination points where the Civil Service Com-

HICKORY

Allen Latham, Milton Smith and his father, Joe Smith, of Waukegan, left via auto on Thursday morning for Philadelphia, Pa., where they will visit Albert Smith for a few days.

A baby daughter was born to Mr. and Mrs. Francis Swenson at Victory Memorial hospital, Waukegan, on Monday morning, June 10.

A baby son was born to Mr. and Mrs. Chris Bock on Saturday morning June 8, at the Victory Memorial hospital, Waukegan. The baby arrived on his sister Betty's sixth birthday anniversary.

Mr. and Mrs. John Strahan and Mr. and Mrs. Emmet King were dinner guests of Lt. and Mrs. William L. Strahan, at Glenview Thursday evening.

Mr. and Mrs. Chris Paulsen spent Tuesday at Janesville, Wis.

Donald Irving graduated from Antioch High school last Friday evening. After the graduation exercises he was the guest of honor at a family party held at his home. There were 22 relatives present.

Mr. and Mrs. Roy Heydecker, of Waukegan, were Sunday afternoon callers at the Earle Crawford home. Sunday evening callers were Mr. and Mrs. Ed Millmore and children, Robert and Roger, of Waukegan.

Mr. and Mrs. Al Swenson visited Mrs. Anna Swenson at Kenosha Sunday evening.

Mr. and Mrs. Frank Sevey and Mrs. Henry Sevey, of Kenosha, were Sunday afternoon callers at the Max Irving home.

Sunday afternoon callers at the H. A. Tillotson home were Mr. and Mrs. J. P. O'Harris, of River Forest, and Mr. and Mrs. R. C. Bishop, of Kenosha.

Mr. and Mrs. Al Swenson attended the dance at the Armory, in Waukegan Friday evening.

Hang Squarely

Hang coats squarely on broad wooden hangers of the wishbone shape made for men's suits. When a coat must hang on a chair, take time to pull shoulders into shape over chair corners. If a coat must hang on a hook, hang it by the loop at the back of the neck.

As we were saying-----

By Jack and Louie

....

Howdy Folks: Another proof that "all the world's a stage," appears in the fact that our bank roll has about as much purchasing power as stage money.

We're in a quandary. If we worry over currently high prices of food while we're eating, we get indigestion, and if we don't, we eat more than we can afford.

When we get indigestion, we sleep like a top, though. That is we don't stop turning and twisting for hours.

Of course we're better off than the party who couldn't eat or sleep after his wife left him. She didn't leave him the price of a meal or a bed.

On the other hand, nothing bothers the Mrs. She sleeps like a log, but then she would.

You won't find a better service than we offer you.

If you'll let our driver call on you, we are certain that you will be a regular customer from then on.

Mildred Dow Graduates from School of Nursing

Miss Mildred B. Dow, daughter of Mr. and Mrs. William Dow, of Antioch, graduated from the Saint Joseph School of Nursing of Chicago, on Sunday evening, June 9, 1946. Miss Dow was admitted to the school in 1943, the year of the Golden Jubilee celebration of the founding of the of the St. Joseph School of Nursing by the Daughters of Charity of St. Vincent de Paul. This graduation marks the first graduation of the second fifty year period.

Forty-eight graduates received their pins and diplomas at the exercises held in the St. Vincent Church on the De Paul University campus. The graduation procession left the school at 2100 North Burling Street at 7:30 p. m. and proceeded west for five blocks to the university campus. The exercises included a graduation address by the Very Rev. Comerford O'Malley, president of DePaul University.

The school of nursing has been affiliated with De Paul University since 1928 and the roster of graduates, prepared by Sister Benadette, Director of Nursing of the St. Joseph School of Nursing was read by Dr. Joseph A. Tobin who is the Co-ordinator of the Schools of Nursing Affiliated with De Paul University. The diplomas were given by Dr. Hugh McKenna, the president of the Medical Staff of the St. Joseph Hospital. The hospital administrator, Sister Albert, presented the school pins to the graduates.

Among the graduates were four Daughters of Charity, who received their nurses' training at the St. Joseph School of Nursing. The remaining students came to the school from various parts of Illinois, from Wisconsin, Indiana, Michigan, Missouri, Iowa, and Louisiana.
